About Us

Learnlanguages.store, the cutting-edge language learning platform designed to revolutionize your language acquisition journey. In today's world of continuous lockdowns and increasing pandemics, traditional education methods need to adapt, and that's where we excel. Our platform offers a comprehensive range of features that go beyond what you would find in a typical language institute.

With Learnlanguages.store, you have the unique opportunity to connect with experienced language teachers through seamless video chat or offline sessions. But we don't just leave you on your own. We closely monitor your progress every step of the way, providing personalized guidance and support to ensure you stay on track to achieve your language learning goals.

And here's the cherry on top: once you've successfully passed the exam, we proudly present you with a certificate that showcases your level of proficiency and the outstanding results you've achieved. This certification is a testament to your hard work and dedication. So, suit up and embrace the future of language learning with Learnlanguages.store. Let us guide you to linguistic greatness and empower you to seize the countless opportunities that await you on your multilingual journey.

Vision

In these ever-changing times, it's tough to stay motivated and focused when learning online. But fear not, my friends, because we're here to make language learning legendary! We're revolutionizing the system to make it more efficient and effective. Get ready to suit up and conquer languages like never before!

Mission

We're on a mission to create the most epic language learning system ever. With our unstoppable teamwork, you'll be able to conquer any language, anytime, anywhere. Get ready to unleash your linguistic superpowers and become a legend in the world of languages!

Strike while the iron is hot

Why IELTS?

Suit up, my awesome friends, because embarking on the journey of learning IELTS Reason number one: Academic and professional opportunities await you like a dream come true. Universities, colleges, and institutions worldwide demand an IELTS score to unlock those academic and career doors you've been yearning for.

Number two: Get ready for global recognition, baby! IELTS is accepted and respected by over 10,000 organizations in 140 countries. Talk about superstar credibility on an international level. Next up, reason three: Immigration requirements become a piece of cake. If you're planning to move to English-speaking countries like Canada, Australia, New Zealand, or the UK, they'll be asking for that IELTS score. It's your passport to a brand-new life, my friends.

But it's not just about paperwork, folks. Learning IELTS also fuels your personal growth. You'll polish your English skills from top to bottom, boosting your reading, writing, listening, and speaking abilities. That's some serious self-improvement right there. And let's not forget about the bonus skill of test preparation. Mastering IELTS means you'll become a pro at studying and acing exams, which will come in handy in all sorts of situations, from future academic pursuits to other standardized tests.

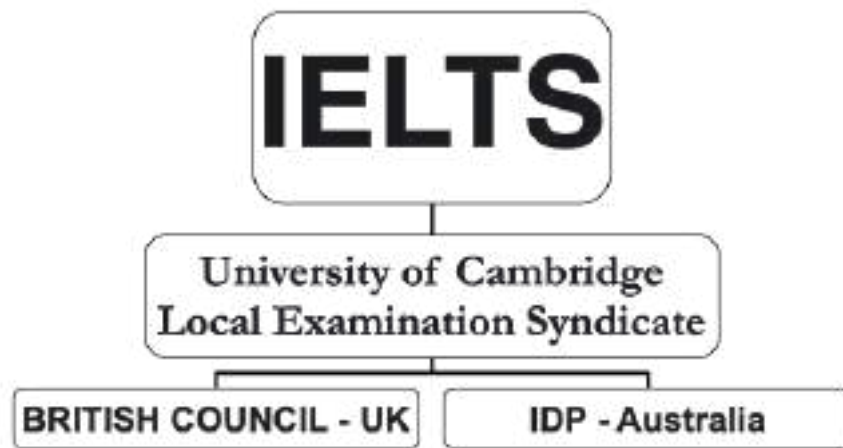

Now, here's a confidence booster: Achieving your desired IELTS score is like suiting up in a confidence suit. It validates your language skills and gives you the swagger to conquer the world. Legendary, indeed! And finally, learning IELTS can enhance your travel and cultural experiences like never before. When you jet-set to English-speaking countries, your IELTS skills will make communication a breeze. Unforgettable adventures and amazing connections await you.

So, my friends, don't miss out on this legendary opportunity to learn IELTS. It's a decision that will shape your future in unimaginable ways. Suit up, embrace the challenge, and get ready to conquer the world like true legends!

What is IELTS?

IELTS stands for the International English Language Testing System. It is the world's most popular English language proficiency test for individuals who want to study, work, or migrate to English-speaking countries. IELTS assesses the candidate's English language skills in four key areas: Listening, Reading, Writing, and Speaking.

The IELTS test is recognized and accepted by over 10,000 organizations worldwide, including universities, employers, immigration authorities, and professional bodies. It is jointly owned by the British Council, IDP: IELTS Australia, and Cambridge Assessment English.

Here are some key points about the IELTS exam:

- 1. Test Format:** The IELTS exam is available in two versions: IELTS Academic and IELTS General Training.
 - **IELTS Academic:** This version is suitable for individuals planning to study at the undergraduate or postgraduate level or seeking professional registration in an English-speaking country.
 - **IELTS General Training:** This version is typically for those planning to undertake work experience, training programs, or immigration to an English-speaking country.
- 2. Test Sections:**
 - **Listening:** Candidates listen to a range of recorded audio passages and answer questions based on the information they hear.
 - **Reading:** Candidates read a variety of texts and answer questions to test their comprehension skills.
 - **Writing:** Candidates complete two writing tasks. Task 1 requires candidates to interpret visual information, such as graphs or charts, while Task 2 involves writing an essay in response to a given topic.
 - **Speaking:** Candidates engage in a face-to-face interview with an examiner, where they discuss a range of topics and demonstrate their spoken English skills.
- 3. Scoring:**
 - Each section (Listening, Reading, Writing, Speaking) is scored on a band scale of 0 to 9, with 0 representing a non-user and 9 representing an expert user of English.
 - The scores from the four sections are averaged to calculate an overall band score.
- 4. Test Availability and Registration:**
 - IELTS tests are conducted at various test centers worldwide on fixed dates throughout the year.
 - Candidates can register for the test online or in person at authorized test centers.
- 5. Test Validity:** IELTS scores are generally valid for two years from the test date.

IELTS provides a comprehensive assessment of a candidate's English language proficiency, allowing universities, employers, and immigration authorities to make informed decisions regarding language requirements. Preparation courses and practice tests are available to help candidates familiarize themselves with the test format and improve their skills to achieve their desired band scores.

IELTS Preparation Course

IELTS (International English Language Testing System)

Course Overview:

The Comprehensive IELTS Preparation Course is designed to equip students with the necessary skills and strategies to achieve their desired band scores in the IELTS exam. This course covers all four sections of the exam: Listening, Reading, Writing, and Speaking. Students will engage in interactive activities, practice tests, and receive personalized feedback to enhance their performance.

Course Duration: 12 weeks (adjustable based on the students' needs)

Course Objectives:

1. Familiarize students with the IELTS exam format, question types, and assessment criteria.
2. Develop students' skills and strategies for each section of the IELTS exam.
3. Enhance students' English language proficiency in all areas: listening, reading, writing, and speaking.
4. Provide extensive practice opportunities through mock tests and exercises.
5. Offer personalized feedback and guidance to improve students' weak areas.
6. Increase students' confidence and readiness for the IELTS exam.

Course Outline:

1. Introduction to IELTS
 - Overview of the IELTS exam
 - Explanation of the test format and question types
 - Familiarization with the assessment criteria
2. Listening Skills and Strategies
 - Understanding different listening tasks
 - Effective note-taking techniques
 - Developing listening comprehension and vocabulary
 - Practice exercises and mock tests
3. Reading Skills and Strategies
 - Skimming and scanning techniques
 - Identifying main ideas and supporting details
 - Vocabulary building and inference skills
 - Time management strategies
 - Practice exercises and mock tests
4. Writing Skills and Strategies
 - Analyzing and interpreting writing prompts
 - Structuring and organizing essays for Task 1 and Task 2
 - Developing coherent arguments and ideas
 - Grammar, vocabulary, and punctuation for writing
 - Practice exercises and mock tests

5. Speaking Skills and Strategies

- Fluency and coherence in spoken English
- Pronunciation and intonation practice
- Responding to different types of speaking questions
- Giving opinions and supporting arguments
- Mock speaking tests and feedback sessions

6. Test-Taking Strategies and Time Management

- Time management techniques for each section
- Guessing strategies for multiple-choice questions
- Managing test anxiety and stress
- Reviewing and analyzing sample answers
- Final mock tests and performance evaluation

7. Feedback and Individualized Study Plans

- Regular assessment and feedback on student performance
- Individualized study plans to address specific weaknesses
- One-on-one sessions with instructors for additional support
- Practice materials and resources for self-study

8. Exam Readiness and Test Simulation

- Final revision of all four sections
- Full-length practice tests under exam conditions
- Reviewing and analyzing test results
- Last-minute tips and strategies

Note: The course outline can be adjusted based on the specific needs of the students and the available time frame.

By following this comprehensive course outline, students will be well-prepared to tackle the IELTS exam with confidence and achieve their desired band scores. It is important to provide ample practice opportunities, personalized feedback, and support throughout the course to maximize students' chances of success.

The roots of education
are bitter, but the fruit is
sweet”.

Why learn IELTS with us?

This course is your ticket to scoring 6 points and above on the IELTS exam. That's right, we're talking about reaching the pinnacle of English language proficiency! Our battle-tested strategies and intensive training are specifically designed to catapult you into the score range you desire. We'll equip you with the tools, techniques, and insider knowledge to conquer each section of the IELTS exam with confidence and finesse. Need to boost your Listening score to new heights? We've got you covered.

You'll master the art of capturing every detail, deciphering tricky questions, and overcoming those pesky distractors. No more lost points, my friends. You'll be sailing through the Listening section like a rockstar captain navigating uncharted waters. But that's not all! We're here to help you conquer the Reading section like a true IELTS warrior. You'll learn how to scan, skim, and dissect passages with surgical precision. Difficult vocabulary? Not a problem! We'll arm you with advanced strategies to unravel those word puzzles and maximize your score potential.

Now, let's talk about the Writing section. Say goodbye to average scores and hello to brilliance. Our course dives deep into the intricacies of task response, coherence, and cohesion. We'll guide you in crafting compelling arguments, organizing your ideas flawlessly, and showcasing your language prowess like a wordsmith extraordinaire. With our guidance, you'll achieve writing scores that make jaws drop and examiners applaud. And of course, we can't forget the Speaking section, where you'll truly shine. Our course focuses on fluency, pronunciation, and vocabulary expansion.

We'll transform you into a master communicator, effortlessly engaging in conversations, expressing your ideas with eloquence, and dazzling the examiners. You'll leave them speechless, but they'll have no choice but to award you the scores you deserve. But wait, there's more! Our course is built on a foundation of personalized attention and support. Our team of experts will be by your side, providing individualized feedback, addressing your weaknesses, and guiding you every step of the way. You'll receive the attention you deserve to achieve those 6 points and beyond.

So, don't settle for mediocre scores. Rise above the rest and claim your rightful place among the IELTS elite. Enroll in the Advanced English IELTS Pathfinder Course and let us guide you to that coveted 6+ score. Your journey to IELTS greatness starts here. Suit up and score big!

What book do we follow?

Are you ready to unlock a world of opportunities and take your English skills to legendary heights? Introducing our exclusive IELTS course, based on the renowned Cambridge IELTS Book 16, designed to transform you into an IELTS powerhouse! With our course, you'll gain access to the most up-to-date and authentic practice materials, meticulously crafted to mirror the actual IELTS exam. It's achieved through meticulous preparation, expert guidance, and the right resources. Don't settle for ordinary when you can become extraordinary. Join our IELTS course today and let us help you create your legendary IELTS success story!

Courses we offer

More than 30,000 students have put their faith in these courses to help them become more fluent in English. Our method of instruction was developed by native English speakers and incorporates both conventional lectures and interactive practise packages.

Learn English the way it was meant to be learned with this individualised course. Review the content at several checkpoints to see how well you're doing and to ensure you're on track to successfully finish the course.

Pathfinder 1 (Advance English+)

In this course you will gain an extensive grammar knowledge needed for the official exams as well as practising lots of vocabulary, listenings, readings, pronunciation, translations, dictations, spellings. Learn Vocabulary with terminology, by using some

You will learn the how to create and the differences in use between most verb tenses such as Present Perfect Simple or Present Perfect Continuous, between Past Perfect Simple and Past Perfect Continuous, or between all the different verb tenses we can use for the future, like Future Simple, Be going to, Present Continuous, Present Simple, Future Continuous, Future Perfect or to be about to.

You will know the differences and when to use an adjective ending in +ed or +ing, as well as how to create a Passive form in any verb tense, the Passive with Reporting verbs, or the Passive with two objects. You will also find videos explaining how to create a modal verb structure for the past, and the Third Conditional structure.

In the last section you will learn one of the most difficult grammar lessons, that is when we can commit a Relative clause or when we can't, and the differences between a Defining and a Non-defining Relative Clause and their implications.

Sentence formation and technique, also work on your fluency with our fluency Incorporation technique. Leverage your conversational skills with use of idioms and phrases to make speech worth while.

You will learn grammar and vocabulary equal to:

- The United Kingdom's "First Certificate Exam" (FCE) from Cambridge University.
- In the Common European Framework of Reference for Languages, C1 is the intermediate level (CEFR).
- With a TOEFL score of 87-109 (Test Of English as a Foreign Language).
- Classes in Business English and conversational English are available here.

Other English Courses

Children's Age 3 to 6 years old courses

- This course aims to introduce children to the English language through fun activities: games, songs, and stories.
- Each session is composed of multiple entertaining activities in order to hold the attention of young learners.
- The introduction to English involves learning the basics close to the children's universe, i.e. learning to count, learning vocabulary by theme, such as the body, the family, animals, objects in the house, colors, etc.
- These courses are available only on demand. A minimum of 4 learners is required to open a course. Please ask at the reception desk when the children's classes are open.

Private courses

- Learn English at your own pace with an individual course at your home or workplace.
- If you wish to choose to learn English at your own pace at your time then this private tutoring offer is made just for you.

Advantages

- Content perfectly adapted to your needs.
- A competent and experienced teacher is available just for you.
- Flexibility choice of the course schedule.
- A range of internationally recognized English language diplomas

English courses for companies

Are you a company, an organization, an institution?

Do you want to train your staff in English for professional work purposes or international standardisation?

This option of courses is intended for individual participants or groups of executives of companies, managers of organizations, administrations, or institutions, with specific learning objectives and limited learning time in order to communicate effectively in English in the context of their professional activity. With you, we identify and analyse training needs to propose a tailor-made program in terms of levels, objectives & content, means, duration, rhythm & frequency, and financing.

failure in can'ts.*

Private Language Lessons For Adults

Online & In-Person Lessons

Whether you're interested in one-on-one lessons or have a small group of friends and family you want to study with, our customized online language program is a great way to build your fluency with lessons designed just for you. With over 30 languages to choose from, we have something for everyone!

Some Highlights of Our Private Lessons

Professional Instructors

Our instructors are carefully vetted by our team of language education experts. They are professionals with years of experience and familiarity with multiple teaching methods.

Customized Curriculum

Your instructor will craft lesson plans based on your learning needs and goals. Examples include test prep, travel planning, professional language skills, personal enrichment, and many more options.

Flexible Scheduling

You can set the days and times that best meet your needs. Instructors are available 7 days a week. Choose from in-person (NY/NJ/CT tri-state area only) or live online lessons. You can cancel or reschedule a lesson as needed - just let us know at least 24 hours the business day before.

Trial Lesson

You will have a chance to meet your instructor before fully committing.

*Learning never
exhausts the mind.*

Why us?

Best prices

Our language store offers one of the best prices in the city for 60 to 120 minutes of a group lesson.

Making up for missed lessons

If you missed a lesson, then you can work it out for free with tutors from our school

Integrated Online & Offline learning

Ongoing support for students in the learning process. If you have a question, then you can ask it immediately online on our application.

Free special training and special courses

Regularly attend meetings of our speaking club, Grammar Club and Movie Club.

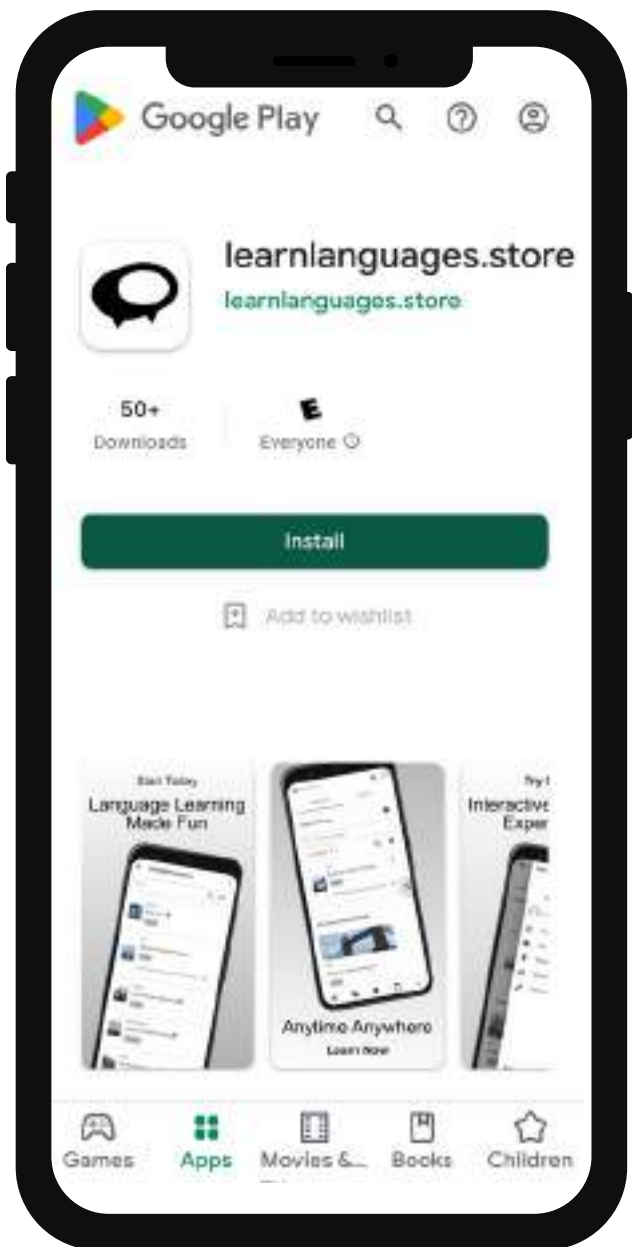

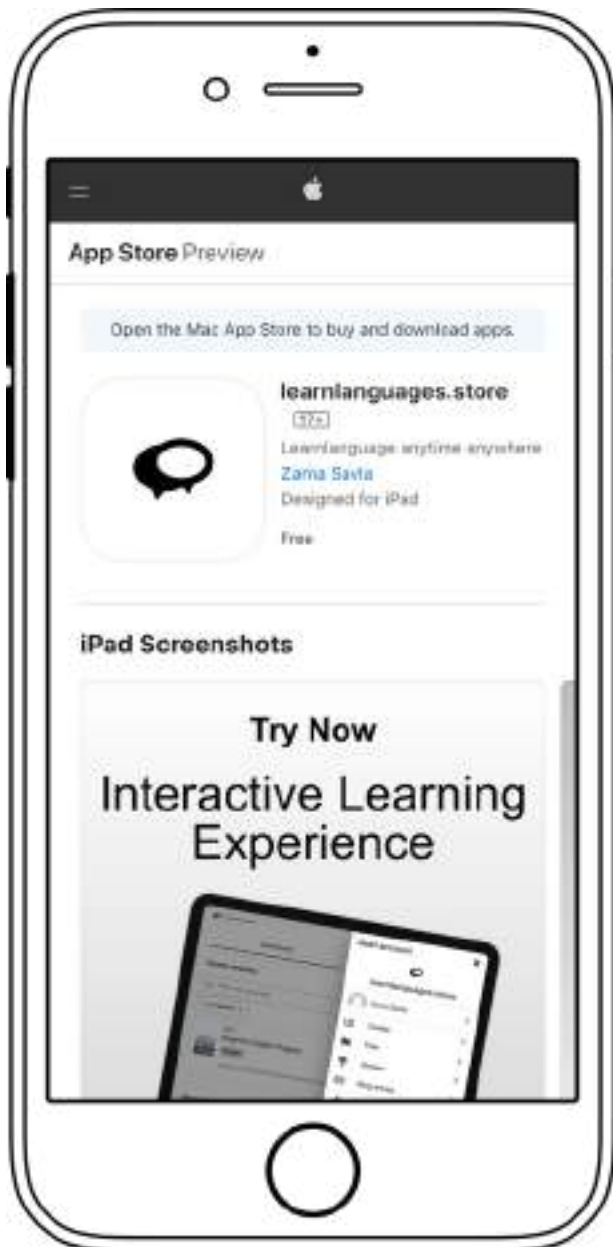

Practical Knowledge & Full Attention

Our teachers will confront you with real-life situations and give you more practical knowledge. You will always have their full attention, and your teacher will answer any questions you may have about the language.

1 year App Access

LinkedIn Attached Certificate

OUR ADVANTAGES

RESULT CONTROL

Throughout the entire learning process, we will closely monitor your progress.

Modular evaluation

At the end of each module, you will receive an assessment of your performance. The instructor will give you a short oral and written test and offer you feedback.

Exams

At the end of every course, the institute conducts full-fledged exams for students of all levels. After completing all the modules of the level, choose a date convenient for you.

Certificate

After successfully passing the exam, all students receive a certificate indicating their level and result of the student.

Modular learning system

One module - three lessons of 90 minutes. The focus of each module is one lexical topic, one grammatical topic, and one pronunciation topic.

Vocabulary

Every week we work on a new lexical topic. You can also practice it using the mobile app, on your tablet or computer.

Pronunciation

Pronunciation for every lesson. We carefully monitor how you speak and actively develop the skill of correct pronunciation.

Grammar

We don't teach hundreds of rules. We show you a pattern (grammatical construction) and immediately activate it at a conversational level. Thus, we form the habit of its use.

We look forward to working with you.

Thank You!
